## PATTERN

**Chain 50** for the Medium Adult 22-inch head circumference.

**Row 1:** In the 2nd chain from the hook, work 1 SL ST. Work 1 SL ST into each of the next 4 chains. HDC into each of the remaining chains. CH 1 and turn.

**Row 2:** HDC into the back loop of each HDC across the row. Work SL ST into the back loop of each of the 5 SL STs, CH 1 and turn.

**Row 3:** Work SL ST into the back loop of each of the 5 SL STs. Work HDC into the back loop of each HDC across the row, CH 1 and turn.

Repeat rows 2 and 3 until your hat is approximately 17 inches wide. Or if you have a larger head work a few more rows.

### To finish:

Fold the hat in half lengthwise, matching the two sides together. Slip stitch the two sides together. When you reach the top, tie off with a long tail. Use your tapestry needle to close the top of the hat. Sew one half of the snap onto the top of the hat. Attach the pom pom. If the pom-pom looks smashed from shipping, use a hot blow dryer to fluff it up.
