Crochet Ruffled Heart Hot Pad / Pot Holder

MATERIALS

Lily Sugar'n Cream 100% Cotton Yarn (2.5 oz/120 yards)

2 balls, one white, one pink

(Color used in this pattern was Pastel Pink, found at Walmart labeled Peaches'n Creme, it's the same as Lily Sugar'n Cream, just labeled differently.)

Size H 5mm hook, scissors, tapestry needle

SIZE

Approximately 8 x 8 inches

STITCHES

Single Crochet (SC): Insert your hook, YO and pull up a loop, YO and pull through two loops on hook.

Double Crochet (DC): YO, insert your hook, YO and pull up a loop, YO and pull through two loops, YO and pull through remaining two loops.

PATTERN

Chain 26.

Following the graph beginning in the bottom right-hand corner, each square represents a single crochet stitch. Begin in the second chain from the hook and work 1 SC into each chain for a total of 25 stitches. CH 1 and turn. (Always CH 1 and turn at the end of each row.)

Even number rows are read left to right, odd number rows are read right to left. To change colors, pull through with the new color on the last step of the stitch, drop old color and do not cut. Keep all changes to the back of the work.

When you have completed the last row of the graph (Row 23) don't turn.

Work 1 more SC into that stitch, then begin working down the side. *Work 2 SC into the end of a row, then skip a row and repeat from *.

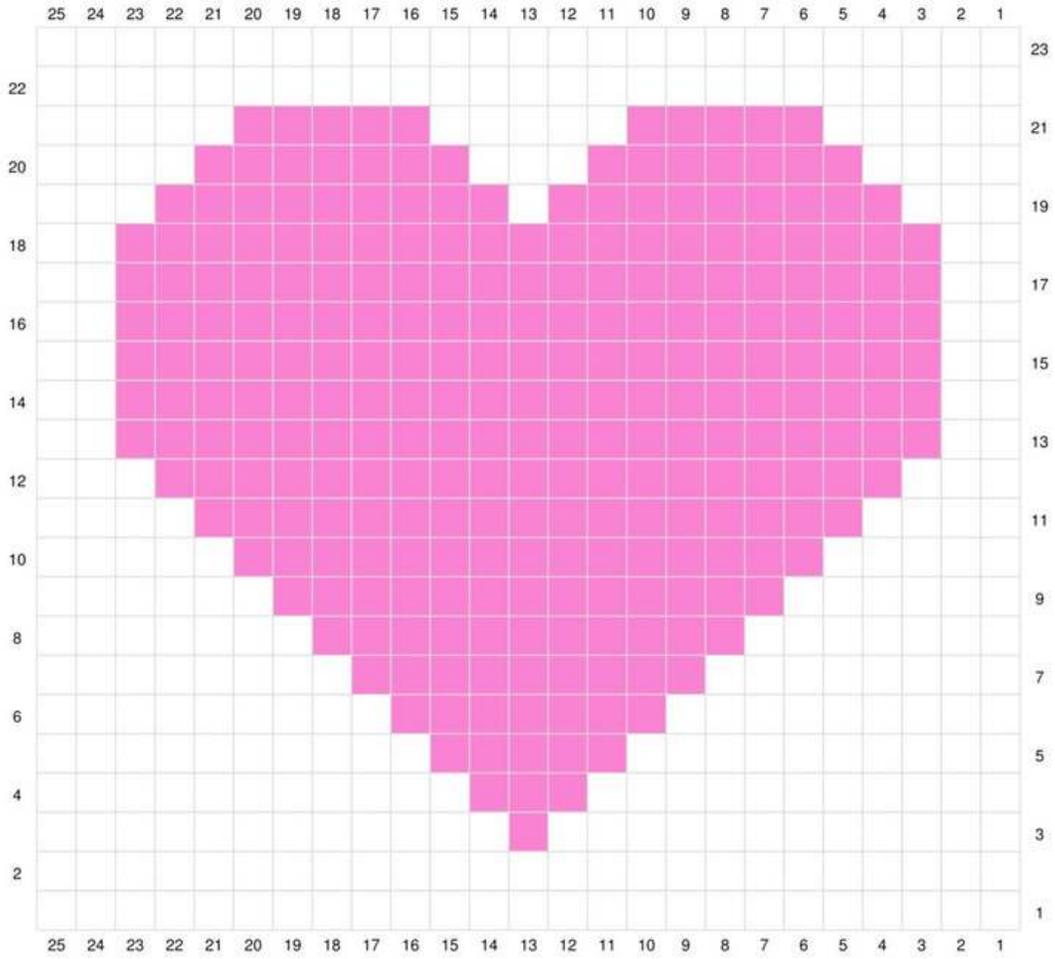

Work 3 SC into the next corner then *work 2 SC, skip 1 stitch and repeat from *. (You are working the underside of the starting chain.)

Work 3 SC into the next corner and repeat working 2 SC per end of row or st, skip a row or st. Finish the round by working 1 SC into the starting stitch of the round. Join with a slip stitch and then tying off.

Make another panel with or without the heart.

To join both sides together, match up the corners, placing wrong sides together. Begin in any stitch by joining with a slip stitch and chaining 2. *Work 2 DC into the next stitch, 3 DC into the next stitch. Repeat from * around, end with one or two DC into the starting join, (depends where you end in the alternating of DC's), tie off and weave in the ends.
