PATTERN

Chain 108 with Cream. (Pattern repeat is 19 multiplied by an odd number, plus 13.)

Row 1: Starting in the 3rd chain from the hook, work 1 HDC in each chain with Cream. CH 2 and turn.

Row 2: Work 1 Wide HDC in each of the first 11 stitches with Cream. On the 11th stitch, stop on the last step of the stitch and pull through with Fawn. (Make sure to bring the Cream yarn to the front of your work before pulling through with Fawn so that it finishes the HDC on the back side of your work.) Work 1 Wide HDC in each of the next 8 stitches, carrying the Cream yarn along the top of your work and crocheting over it as you go. Continue alternating 11 Cream stitches and 8 Fawn stitches across the row, always crocheting over whichever yarn you are not using along the top of your work, and always bringing your yarn to the front of your work each time you switch colors so that it finishes the HDC stitch on the back side of your work. At the end of the row, CH 2 and turn. Wrap the Fawn around the back of your work so you can continue to carry the yarn on the next row.

From now on, you will always be carrying whichever yarn you are not using across the top of your work as you crochet.

Row 3: Work 1 Wide HDC in each stitch across the row with Cream. CH 2 and turn.

Row 4: Work 1 Wide HDC in each of the first 11 stitches with Cream. *Work 1 Wide HDC in each of the next 8 stitches with Fawn, then work 1 Wide HDC in each of the next 11 stitches with Cream. Repeat from * to the end of the row. CH 2 and turn.

Rows 5 - 14: Repeat rows 3 - 4.

Row 15: Repeat row 3.

Row 16: Work 1 Wide HDC in each stitch across the row with Fawn. CH 2 and turn.

Row 17: Work 1 Wide HDC in each of the first 12 stitches with Cream. *Work 1 Wide HDC in each of the next 7 stitches with Fawn, work 1 wide HDC in each of the next 12 stitches with Cream. Repeat from * to the end of the row. CH 2 and turn.

Rows 18 - 23: Repeat rows 16 - 17.

Row 24: Repeat row 16.

Row 25: Repeat row 3.

Repeat rows 2 - 25 five more times. Then repeat rows 2 - 15 to end the blanket. (You can stop carrying your yarn on the final row of the blanket.)

BORDER

Round 1: After finishing the last row, chain 1 and begin working down the side of your blanket and work 1 round of HDC around the entire blanket. Work 4 HDC in each corner.

Round 2: Work 4 HDC around starting corner and continue working in same direction. Work 1 round of Wide HDC around the blanket, working 2 HDCs into each corner space. Slip stitch into starting corner, tie off, and weave in ends.
